

Frisby Creatives

We are a group of artists and makers based in Frisby on the Wreake. We welcome people from the surrounding villages.

We are a mixed group and cover many disciplines including ceramics, glass, textile art, wood carving, printing and painting to name a few. We come together to socialise, share our knowledge and our interest in the arts.

We are quite a new group and have only been in existence for a year, we formed in January 2017. We had a busy first year, in September we held a very successful exhibition at The Bell Inn and opened 5 artist's studios in the village and in December we held a Christmas selling event when we raised money for Cancer Research. We have lots of activities planned for 2018 including trips to exhibitions and opportunities to work together.

If you are interested in our group and would like to know more please contact Debbie Barber in Frisby on telephone no: 434348
